MULTISYSTEMIC THERAPY (MST) THERAPIST for Clayton, Cherokee, & Pickens Counties in Georgia

Grow your career, be challenged and realize the potential in yourself and others around you! If you are passionate about serving youth and families in their homes, have superior interpersonal, & open communication skills, desire to work in an environment with constructive oversight & focus on successful outcomes, we want you! If you are positive, vibrant, flexible, and compassionate, we want you!

We are seeking individuals who have mental health clinical training and experience to implement **Multisystemic Therapy (MST)**. **MST** is a top researched community-based intervention model directed at families with youth ages 12 through 17 years old where there is involvement in the juvenile justice system. More information on this treatment model may be found here: www.mstservices.com .

Duties include assessment, treatment, documentation, and collaboration with caregivers, families, youth, and community stakeholders. Therapists function as part of a **MST** team and participate in weekly team supervision and consultation. Must be willing and able to work a flexible schedule based on families' availability. Specific experience in Cognitive-Behavioral Therapy including trauma treatment, Structural Family Therapy, Strategic Family Therapy, and behaviorally-based treatments preferred. Master's in mental health or related field required; these are full time positions with competitive benefits. **If you want to impact change and do it effectively, if you want excellent training, licensure opportunities, effective and meaningful supervision, to gain clinical experiences and skills, please apply! EXPECT TO BE CHALLENGED, DEVELOPED, AND EXCITED, BOTH PERSONALLY AND PROFESSIONALLY!**
